MIKA TAN'S BEST DAY

Mika Tan's crazy, man, and I'm crazy for Mika Tan. I've followed her career for more than twenty years. When she stared out as a newbie, she seemed shy and tentative. About five years into her adult career, I noticed that she was getting more and more inventive and aggressive. I liked that in her, and she managed to carry that on in her career. While I don't remember many of her girl-girl scenes, I have a vivid memory of her three-ways and other orgy scenes. One of my favorites is with her, and six or seven other Asian babes that included Tera Patrick (another of my favorites), Kianna Dior, Kaiya Lynn and others. No guys, so I could enjoy all those beautiful Asian bodies. And man, the sex. It was great. Lots of pussy licking, dildo action, double dildo, and even strap-ons. And don't forget that wonderful all-girl moaning.

– Nelson in Las Vegas

JADE SIN'S NAME SAYS IT ALL

Who is this beautiful girl – Jade Sin? I've looked all over for her, in magazines, on videos, on the internet and have only seen one other video of her, other than the one that you've run in the issue. She seems like such a sweetie, and then you see her in action sucking two cocks and getting double penetrated by those dicks. They're almost a big as she is. The scene is a bit corny, but then what porn scene isn't. When they get down to it, the sex starts slow, but when she starts sucking those cocks, things heat up quickly. During the opening blow jobs, it seems like she deep throated one of them while the other pounds her pussy from the back. Somehow, watching the video, I got the impression that she's done this once or twice before! That's why I wonder why there aren't more videos of her to be found. But it doesn't really matter since this one is so incredibly hot! Thanks for the pictorial, and the video, you guys.

– Les, San Francisco

Last night I went to a raging party and was surprised to see that my long time crush was there. I was wearing my sexiest bikini, and it caught his eye immediately. We talked for what seemed like hours. He took me back to his place and we fucked some more. Now I'm gonna wake him up with some delicious pussy.

Sam was right. His wasn't the only stunt cock in town.

Knowing the inept

My boyfriend, stunt cock
extraordinaire – blessed

Well, this was the absolute truth. Rick lived in the apartment downstairs. He could've landed a gig in the industry if he had wanted. Like Sam, he never suffered from erectile dysfunction, not even when he had had too

much to drink.

We had hooked up a few times, always while Sam was off somewhere fucking on camera. I hoped today would be another one of those times. I sent him a dirty pic replete

Rick appeared in the bedroom doorway. I lowered the sheet, granting him an unobstructed view of my tits. He sported an ear to ear grin.

“Don’t just stand there,” I told him. “Get

his shaft – balls to flared cap – with exquisite care. Rick moaned appreciatively, my cue to climb aboard. I straddled his hips and lowered mine, guiding his cock with my hand. Properly impaled, I proceeded to ride him

load.

“Stunt cock,” Rick said after a lengthy silence. “Sounds like the perfect part time job. I could certainly use a little extra money.”

I elbowed him playfully. “Don’t even think about it.”

Unfortunately he did a lot more than just think about it. Rick talked to Sam and now they’re both doing it, taking off at all hours to fill in when the leading man suffers an equipment failure. It happens more than you would think. A lot more.

Thank the stars for my dildo!

REVOLVING DOOR

A few weeks ago, I was at a party for the first time in a while. I could feel the hypnotic drone of the music from the moment we pulled up, a deep, heavy beat that pulled us up toward the large house. Dozens of people milled around in the halls and living area. Out back, the large pool and deck was opened, with more people out there.

It didn’t take long for our little group to get separated, me heading for the drinks, my friends in whatever direction they got drawn to. I’m usually a shy person, but that didn’t

with the following message.

Sam filming again. Want to hit this?

Rick responded immediately—

Your place or mine?
I told him to come on up; that way I wouldn’t even have to get dressed. Hell, I wouldn’t even have to get out of bed. Sam had a bad habit of leaving the door unlocked. It wasn’t long before I heard Rick enter the apartment.

“Katy?” he called from the living room.

“In here.”

over here and fuck me.”

Rick undressed hastily, then joined me in bed. I devoured his cock without delay, giving my second hummer of the day. Unlike the first one, the present BJ was surely a preamble for some serious pussy pounding.

I pumped my head up and down, savoring every inch of his turgid pole. Rick wasn’t quite as big as Sam, but what the hell did I care? He was available at a moment’s notice, always ready and willing to step in whenever Sam was working.

I basted him, licking

cowgirl fashion, moving my hips rhythmically. I bucked faster and harder, prompting him to respond with frenzied strokes of his own. I grabbed my tits, squeezing and kneading the soft flesh, all the while bouncing up and down pogo-style.

Intent on upping my pleasure even more, I lowered a hand and rubbed my clit, massaging my bulbous bud with nimble fingers. This did the trick. I came in a shuddering rush. Then, still in the throes of my high, I dismounted and finished Rick with my hand, tugging and jerking his prick until he shot a massive

mean I couldn't see.

As I stood out of the way at the bar, my soft brown eyes managed to flit around the room, and I let out a gasp. My friend had warned me that a lot of handsome men showed up at these parties. I hadn't really believed her until I saw for myself. I quickly

Already, I felt hopeless like the party had been a terrible idea. Yet, when I opened the door to what looked like a large bedroom, I realized that I didn't get the directions right.

With a deep breath, I headed deeper in, wondering if maybe the bath-

me, amused and charming, even in my embarrassed state, felt like he actually saw me, and wanted to be sure I was alright.

It wasn't long before we were sitting together on the bed, and he was able to get me to talk about why I'm so shy. The truth is that I love sex more than anything, but there's so much pressure that it gets to me sometimes. I don't know why I told him, except those eyes just drew me in.

Before I knew it, he had my shirt off, my large chest leaping out toward him as he started to play with my erect nipples. It'd been far too long, and he knew how to make me feel something. His touch was gentle, but he knew what he wanted, knew what I wanted.

I laid back on the bed, his muscular form towering over me as he let himself inside. He was slow at first, taking his time, letting me enjoy the feeling. I felt him throb, as I started to moan, my hands rushing over my body to touch places his two hands couldn't. An exquisite dance we played out over my body as he filled me with pleasure when the door opened.

Another man, tall and lean stood in the shadows. The guy over me quickly rushed him inside and, before I could really think, the first man pulled out and a second cock, longer

and more forceful than the first, was rushing deep into my body.

I looked up at them, eyes hungry for more as I grabbed both their hands and had them tracing my body. I stroked my first man off while leaning deeply into the second man pounding me ever harder. When the door opened again, two men over me, I was almost surprised to realize I was the one who waved the next guy in.

His pants were off quickly as he took his place forcing his dick deep inside. I took the second cock in my mouth. I was lost in the moment, the pure ecstasy of being so needed, so desired. I wanted them, all of them!

The third dick was thick and heavy, and it wasn't long before he threw his head back and pulled out, spraying his juice all over my chest. The other two quickly followed, leaving a heavy mixture all over my body.

I took a deep breath and started to slowly rub it all over, enjoying the feast of pleasure offered by all of them. As I gave them each a kiss and sent them back to the party, the bearded man reminded me of the bathroom across the way... and asked if I'd like any help cleaning up. My smile told him everything he needed to know.

— K. H., Houston, TX.

downed my drink, feeling my face heating up.

I'm not unattractive myself, long, flowing strawberry hair, tall and well formed. But even then, looks only get you so far if you're afraid to talk to anyone. I tried to make my way through the room, coming up to a man with a thick, but well-trimmed beard, but all I could manage to do was ask him where the restroom was.

He told me and, embarrassed, I followed his directions as best I could.

room was in the room, but I found nothing, and when I turned back to leave, the man who'd given me directions was standing there with a huge, charming smile on his face.

He asked if I was lost and, when I nodded, he stood aside and told me the bathroom was right across the hall. For some reason, I didn't move. It might have been that I didn't really need to go, or because I'd have to pass him to get there, but I think it was because of him. The way he looked at

It's the freakin weekend baby! While most people prefer to drink as their "pregame," I like to play with myself. Sex is always better if I've cum at least two or three times. I get all dressed up to make sure that it's hot enough to keep any man on my hook. Then I'll play with my pussy till it's time to cum.

MAKING YOU CUM IS MY SPECIALTY

MUST BE 18+

For eons this sensual art has been a part of every union... So let's suck!

The Ancient Asian Art of Fellatio ***(updated)***

My name is Hanako and I'm married to a great guy named Lee. Ever since he told me that he fantasizes about me and my mouth at the office, I've done my best to make his fantasies cum true when he gets home. I am a bit of a wild one and I love to suck cock, so he's a lucky guy and I keep telling him that. It's a big turn on for me, too, and it puts me in the mood to get even wilder. My absolute favorite position for fellatio is with him standing and me kneeling down.

After I start sucking, he'll lift a leg and put it on the arm of a chair or the bed and so that he is opened up that area. Now I have access to all his good parts that will soon get my attention. I continue by licking his thighs and make him anticipate what's going to happen. I slowly spread his legs and start licking his balls and roll them all around in my mouth and probe them with my tongue while they are both in my mouth. For you gals, I had to practice this since putting two hairy balls in your mouth can be a bit of a turn off. So, he shaves them clean or I do it for him. That's also a big turn on for the both of us.

Lee has been reading over my shoulder and it seems he's getting excited again because he's now pulled out his cock and wants me to play with it. "I can't right now, I'm typing. Don't you want me to finish this?" I ask as he rubs my shoulders. Hold on dear reader, I need to take a break for a few minutes to take care of...

Okay, so where were we? I stroke his penis as I still have his balls in my mouth. Nothing too hard or fast because I don't want him to cum just yet. There's a whole lot more to go. After warming them up, I back off and suck his cock head for a minute and then I'll suck one of his balls back into my mouth and swirl my tongue around it and then I'll set my attentions on the other one. He says it's like having soft, warm fingers playing with them. I

am sure to lick all around his balls, the base of his cock and that sensitive area behind them. With his leg up, it's easy to reach and he loves it.

By now, he's really excited and his cock is rock hard and he's begging me to take him fully into my mouth. I start going upward, licking his shaft as if it were a popsicle. At the head, I circle it a few times with my lips and wiggle my tongue into it's little slit all the while making eye contact. Then I take him into my mouth as far as I can. With all the practice I get, I can deep throat him easily and not gag. Earlier on, I would gag but learned to relax my throat muscles and now I can take it all the way down to the base.

While he's not huge, about seven inches (yes, we measured), he is thick. He likes it when I squeeze the base of his cock and it seems to make him even harder. It turns him on even more when I moan, make slurping sounds, and make eye contact as I do this. With my free hand I'll fondle his balls at the same time, or play with his asshole. This is something he eventually let me do, thinking it was too gay at the start, but then realized how good it felt.

During the sucking, I make swirling motions on the underside of his shaft. He likes it when I do all different types of swirls and pinches and nips to every part of his cock and balls. We play this little game if he can figure out the letter or number I'm making with my tongue or fingers on his cock. He's right less than half the time and makes me repeat some over and over again (I think he likes the way those letters feel). Sometimes, I'll hum as I have him in my mouth and sometimes I'll talk dirty and tell him what I'm going to do to him.

Now for the good part, as if all that wasn't good enough. I put his foot

down so both are on the ground. If I can tolerate kneeling some more, I'll stay there, if not I'll sit on the edge of something. Either way I take his butt cheeks in each hand and pull him to me. His cock in my mouth, I can take it all and deep. It's a good position for him, too as he can thrust it into me. But the best of all is I have better access to his anus. As I'm sucking him, I'll sneak a finger or two into my mouth to lube it up and then back to his butt. I play around the outside of his butthole, just breaking into it gently a time or two or twenty, whatever it takes. When I feel that it's loosened up, I'll push a finger in and gently twirl it around and in and out. I'm still working his cock with my mouth and other hand and slip it down to his balls now and then. Now is the time I fall back on the bed, pulling him down with me, cock still in my mouth and he begins to fuck my mouth much harder.

Now it's his turn to do the work. I hold my one hand around his cock to keep him from smashing my nose and lips, and work his buttonhole more and more. We've gotten to the point where he can take two fingers in it and he loves it. He'll start moaning harder and louder and I can tell he's about to cum. We have an understanding that he'll tell me just before he cums where he wants to do it. Sometimes it will be on my chest, my neck, my face, and sometimes he wants me to swallow it.

This is something that took a little getting use to but only after a time or two. Because we were doing so much of it, I got used to the taste and it actually isn't bad. Sometimes I'll slurp it up, or I'll squeeze it back out of my mouth so it drips down my chin and, his favorite, I'll hold his hips hard into me with his cock as far down my throat as it will go and it squirts straight down my throat. Yummmmy. Then, I'll hold his cock in my mouth and lick it all clean as he watches me get every last drop. Sex is a very visual act.

Living on the coast, I get told often that I should be a model. What they don't know is that I already am. I love appearing in magazines. Seeing my pretty mouth wrapped around a big cock, my pussy lips stretched out by the shaft. I love the pleasure exhibited on my face in every frame.
